Cannobio, is the first Italian country that meets after the border with Switzerland. It lies on the shores of Lake Maggiore and is surrounded by green mountains. Thanks to its splendid position, Cannobio is one of the most important and appreciated Italian tourist resorts.

It has very ancient origins, as evidenced by the findings of pre-Roman times. Many of the historic buildings face elegantly along the streets and cobbled streets of the old town and pedestrian area.

From the oldest part of the town, called "Borgo" we arrive at the beautiful lakeside full of arcades, lively and touristy, full of bars, restaurants and shops. At the end of the lakeside promenade, starting from the beach "Lido" starts a beautiful cycle/pedestrian track ring of 8 km winds on the flat river promenade.

Cannobio offers many artistic, cultural and musical events throughout the year.
