light, furniture-free feel.

The finishes are of high and excellent quality.

The property includes a storage room on the ground floor, accessible from the private internal courtyard and also convenient for storing bicycles and scooters, and featuring a mezzanine that doubles its surface area.

Cannobio is the first Italian town you encounter after crossing the Swiss border. It sits on the shores of Lake Maggiore and is surrounded by green mountains. Thanks to its splendid location, Cannobio is one of Italy's most important and popular tourist destinations.

Its origins are very ancient, as evidenced by pre-Roman finds. Many historic buildings elegantly line the cobbled streets and alleys of the pedestrianized historic center.

From the oldest part of town, called "Borgo," we reach the splendid lakeside promenade, lined with arcades, a lively and touristy spot filled with bars, restaurants, and shops. At the end of the lakeside promenade, starting from the "Lido" beach, a lovely 8 km circular cycle/pedestrian path winds along the flat riverside.

Cannobio offers numerous artistic, cultural, and musical events throughout the year.
